Passing the Torch Through the Arts
Nina's Fire...round Two

This round has music

The Spirit of Struggle is so much of who we are as a nation

Let's honor the brave souls that went before us that have bled for the rights we now take for granted. Woman's rights, Workers rights, Human rights, that were not always given to us so freely as today...Come Help us make History...by Making History Come

Dear Saranya,

Our first reading of Nina's Fire: The Triangle Shirtwast factory fire of 1911 went extremely well, we had some great actors reading and received terrific critiques on how to improve the show.

Also, we have had offers to present the work at Colleges, Schools, and Libraries ... Help us make history come alive so that no generation forgets.

"Those that forget their past..are doomed to repeat it."

ALIVE!

Bosses responsible were acquitted of manslaughter

We Need 10 great readers to make this happen...
you don't need to sing to read!

This time around the talented Mr Mike Jurkovic is going to play many of the songs from the soundtrack so we can get an outsiders opinion to see if they have 'legs' (theater talk for if they are any good)
So come listen
Or come and read
Or just come ...we value your input!

Creating great art is a Community process and our goal is to reach the largest sector of our Community as possible..Our Global Community...but we can't do it without YOU!

Sincerely,

Michael Monasterial
