Passing the Torch Through the Arts

Our Mission:

Passing the Torch Through the Arts is a culturally diverse, community based theater company, dedicated to education and social change. Our program is designed to serve at-risk youth in an innovative and completely interactive theater project.

We believe the Hudson Valley is a treasure trove of talent:
writers, actors, directors and we would love to help them perfect their craft or just keep their chops, close to home and without the expense of NYC.

We are looking forward to offering a venue and peer critique of new plays and plays in progress from all levels, all ages, all unique voices of Hudson Valley playwrights, all in a nurturing environment.

Also, we encourage the general public to come and view the works to enjoy the creative process. So come
